Extract taken from Quarterly Communications Holden, 9th September 1998
The board considers it appropriate to draw attention to Rule 125(b), Book of Constitutions, and the list of Grand Lodges recognised by the Grand Lodge of England which is published in the Masonic Yearbook, copies of which are sent to Secretaries of Lodges.
Only Brethren who are members of Lodges under recognised jurisdictions may visit English Lodges. They must produce a certificate (i.e. Grand Lodge Certificate or other documentary proof of Masonic identity provided by their Grand Lodge), should be prepared to acknowledge that a personal belief in T.G.A.O.T.U. is an essential Landmark in Freemasonry, and should be able to produce evidence of their good standing in their Lodges. It is the Master's responsibility to ensure that the requirements of Rule 125(b) are met. It is particularly noted that the hazard of admitting a member of an unrecognised constitution arises not only in connection with overseas visitors. There are Lodges of unrecognised constitutions meeting in England, and care must be taken that their members are not admitted to our meetings.
Brethren are reminded that it is part of their duty as members of the English Constitution not to associate Masonically with members of unrecognised constitutions and to avoid this danger and potential embarrassment to hosts, Brethren should not attempt to make any Masonic contact overseas without having first checked (preferably in writing) with the Grand Secretary's Office at Freemasons' Hall, Great Queen Street, London WC2B 5AZ that there is recognised Freemasonry in the country concerned and, if so, whether there is a particular point that should be watched.
